MCL12ARB SERIES

All products conform to DOT/SAE/FMVSS/CMVSS 108 requirements where applicable

Prewired Fender Light Assembly

Pre-wired fender light assembly functions as both amber front clearance and red rear clearance light for over 80" applications. Mount on top or side of most fenders to mark widest point on trailer. Single diode lights feature sealed, polycarbonate lens and housing in a single unit. Assembly contains one each amber and red MCL12 light and durable ABS fender mount bracket.
