

# **CUSTOM LIGHTING for all**

*See your brand in lights!*

PATENTED TECHNOLOGY

- 4-inch and 6-inch stop/turn/tail lights
- DOT compliance tested

**Highlight your brand and differentiate your products by adding custom logo lighting.**

Previously, substantial development and tooling costs coupled with a high per unit cost disqualified many companies from utilizing custom lighting.

**New custom logo lighting from Optronics offers:**

- Low tooling cost
- Low minimum order quantity
- Short lead time

**LED LIFETIME WARRANTY**
