

- Meets SAE J595 standard for Class 2 and Class 3 directional warning lamps
- Four flash patterns; connect multiple lights to synchronize flash
- Hard wired

- Sonically sealed, waterproof
- Stop/turn/tail/back-up light with built-in warning light function (under/over 80)
- Unique new design with central "X" feature
- Stop/turn functions override the warning lamp for constant DOT compliance

STLW314MGHB
20-LED 4" Grommet Mount,
Hard Wired *Case pack: 10*

STLW316MGHB
20-LED 6" Grommet Mount,
Hard Wired *Case pack: 10*

STLW314MSHB
20-LED 4" Recess Flange Mount,
Hard Wired *Case pack: 10*

STLW316MSHB
20-LED 6" Surface Flange Mount,
Hard Wired *Case pack: 10*

STL314MSHB/STL314MGHB
20-LED 4" Recess Flange or Grommet Mount,
Hard Wired *Case pack: 10*

- Stop/turn/tail with integrated back-up light
- FMVSS S2 T2 I6 (2)R
